

# SPRAY

## IDRO SPRAY

Is a water-based spray used to trace, mark and delineate spaces, areas or corridors on construction sites.

Suitable for walls and floor.

IDRO SPRAY is odourless and water resistant.

Available in different colour gradients.

## BIOSOL, ETHYL, ISOPROPYL SPRAY

Spray for fiber optic and power cables.

Ethyl Alcohol, Isopropyl and Biosol 95 in spray can of 400 mL.

Degreasers and detergents to clean of power cables and fiber optic.

## TECHNICAL SPRAY PRODUCTS FOR GENERIC USE

### GLISS® SPRAY

Universal silicone oil-based lubricant.

### CLEANER SPRAY

Lubricating detergent for electric contacts. Lubricates and protects treated surfaces without leaving any residue.

### UNBLOCKING SPRAY

Removes oxidized metal by melting rust. Unblocks screws, nuts, bolts, locks, etc.

### COMPRESSED AIR

Generates a high-pressure air jet.

### AIR-CONDITIONER CLEANER

Especially designed to remove odours and sanitize heat exchange vents.

Eliminates mould, fungi, bacteria, filter germs, conduct germs and finned heat exchanger germs.

non-toxic and non-corrosive, treated surfaces do not discolour.

### LEAK DETECTOR

LEAK DETECTOR is a product designed to detect potential gas leaks and micro gas leaks.

LEAK DETECTOR is suitable for oxygen, hydrogen, air, helium, nitrogen, argon, chlorine, town gas, methane, carbon dioxide, ethylene oxide, mesityl oxide. LEAK DETECTOR is an inert product. It neither stains nor causes oxidation or rust. Non-inflammable.

### ZINC COATING

Anti-oxidizing compact metal coating made of zinc and special resin for a perfect adhesion of the metal coating.

**Apart from lubricants and anti-friction agents,  
Carima also produces a line of  
water-based marking sprays**

# WATER BASED SPRAY FOR TRACING

Lubricants and anti-friction agents **Made in Italy**

Situated 20 km away from Milan, CARIMA is a European Leader in the production and formulation of lubricants and water-based anti-friction agents for optical fibre and power cable installation.

In an increasingly competitive market, expansion has been Carima's main focus throughout its thirty years' experience, with integrity and passion at its core.

Its passion for its products, research and development have allowed CARIMA to evolve and adapt to constantly expanding domestic and international markets. Carima is committed to satisfy its customers' requirements with new and innovative products, quickly and through a continual process of quality improvement.
